Vocabulary	gathered triumphantly devised lunge paused chorus

*A fluency book is issued when a group have not had enough exposure to new phase sounds to be expected to capably read 80% of the words on a page. This book will be at the previous phase to allow the children to grow in confidence and to increase their speed, comprehension and expression. These books should be read in addition to the first text which will give children an opportunity to apply their new phonics learning.

Day	Activity	Tick when complete
Monday	Practise the new phonics sound	
	Practise Tricky words	
	You read the story to your child.	
	Explore the 'talk about' section at the front of the book.
