

Geography week 6: Suggested for Tuesday 9th February 2021.

This week's continent is.....

South America

REMEMBER: You must complete Tasks 1 and 2 every week. Then choose at least one other activity.

Task 1: Research key questions.

1. Where is South America? Can you locate it on a globe?
2. What is the climate like?
3. What animals do they have there?
4. How many countries make up the continent? Which is the biggest? What is the smallest?
5. How many people live there?
6. Find out about one tourist attraction.

Task 2: Imagine you were planning a holiday to this continent. What would you pack? Draw and label at least **5 items** inside your suitcase. **Challenge:** Explain why you would take those items.

Other tasks: Choose at least one (you can do more or all of them if you would like to)

The Amazon River – Create a factfile or information poster about the Amazon River. Think about:

- Length
- animals
- Where it starts (it's source)
- Where it ends
- Interesting facts

Seven Wonders of the World. 2 of the 7 wonders of the modern world are located in South America:

- Machu Picchu, Peru.
- Christ the Redeemer, Brazil.

Find out why! Present your work however you would like to (poster, powerpoint, information page, labelled drawings etc)

Food/cooking – research the types of food that they grow, export and eat in South America. Present your work however you wish (poster, chart, powerpoint etc). Using your own research or one of the recipes attached to the assignment, have a go at cooking a traditional meal or drink from South America.

There are some resources attached to the assignment that may help your learning.
