<p>Maths</p> <p>https://classroom.thenational.academy/lessons/using-key-vocabulary-associated-with-ordinal-numbers-1st-to-10th-6dgp4r?activity=video&step=1</p> <p>In this lesson pupils will describe the positions of objects using ordinal language such as first, second and last.</p> 	<p>English</p> <p>https://classroom.thenational.academy/lessons/to-listen-to-and-respond-to-a-story-6hjkr?activity=video&step=1</p> <p>In this lesson we will listen to a story called The Noisy House. You will need to draw your favourite part of the story.</p>	<p>RE</p> <p>Watch the story of 'Jesus walking on the water'. https://www.youtube.com/watch?v=K2t3-S6eSUU</p> <p>Draw pictures on the sails that show how Jesus helps you. Either draw your own boat with sails on or download the attachment called 'RE – boat' on Tapestry.</p>
<p>Need another activity? How about you create a race with your own toys at home, can you tell your grown up who came first, second and third?</p> <p>Need a challenge? Can you tell your grown up which animal came where using ordinal language all the way up to 10? The language you will need to use are first, second, third, fourth, fifth, sixth, seventh, eighth, ninth, tenth/last.</p>	<p>Finding it tricky? Draw one of the animals from the story.</p> <p>Need a challenge? Write a sentence to go with your picture, telling us why it is your favourite part.</p>	<p>Need a challenge? Draw a storyboard for the main parts of the story, maybe you could even write a sentence.</p>

When your child is writing, either for phonics, English activities or for their own writing during play, please ensure that they are doing it independently. This means that the children are using the sounds they hear and write them down. For example, some children may only hear the first sound, if that is the case that is all they should write. Or a child may hear some of the sounds in the word but not all, this is perfectly acceptable and they should only write what they hear.

Please upload any learning that you'd like to share with us to Tapestry. When you upload your child's learning to Tapestry it continues their learning journey, helping us and you see the progress that your child is making. Tapestry is a positive way of teachers responding to the activities that your child is doing and provide feedback if necessary. We would really appreciate it if **all** parents/guardians uploaded **at least one piece of phonics, English and maths learning** to Tapestry a week.

Thank you for your continued to support and we look forward to seeing your Tapestry posts. Stay safe!
