Phonics

*See separate phonics plan

World Book day!

1. Dress up as your favourite book character. Send a photo to us on Tapestry, friends and family telling us who you are dressed up as and which book you are from.
2. Take a picture of you reading your favourite book in place where you love to read... it could be in your bed, in a den you've made or even in the garden! We will make a collage of all the pictures we get, I wonder if you will be able to spot your teachers!
3. https://www.youtube.com/watch?v=dHx_kn6MG7k – Listen to Tom Fletcher read his book: There's a monster in your book.

It's time to find some inspiration for your own imaginative story character! Tom says, ideas don't always come straight away; so don't worry if you can't think of anything at first. Here are some ideas to start with: a UNICORN, a CROCODILE, a SNAKE or a SPIDER...

4. What creature would you like to put in your book? Draw a picture of the creature. Just like the author, Tom Fletcher, can you try to get the creature of your book? How will you get the creature out? Write it down. What happens to your creature when you try to get it out? Does it escape? Does it poke its tongue out or laugh at you? Draw and write what happens. We are excited to see how you use your imagination to make your very own mini story! Share your creations on Tapestry!
5. At 1.05 join Mrs Conlon if you're a Starfish, or Miss Deacon if you are a Seahorse as they will read you their favourite children's story book!
6. Have a look on Tapestry for further additional activities:
 - Design a book cover
 - Write about the character you dressed up as
 - Design a bookmark
