

Year 1 online maths learning

11th January 2021

Below are the Maths tasks that we have set for the week. We hope that you enjoy them!

Day 1

To add by counting on using a number line

In this lesson you will learn how to use 'first, then, now' stories to add by counting on, using a number line.

Day 2

To subtract by counting back using a number line

In this lesson you will learn how to use 'first, then, now' stories to subtract by counting back, using a number line.

<https://classroom.thenational.academy/lessons/to-subtract-by-counting-back-using-a-number-line-cgr36d>

Day 3

To add a 1-digit number to a teens number using a known fact

In this lesson you will learn how we can add a teens number using known number bonds.

<https://classroom.thenational.academy/lessons/to-add-a-1-digit-number-to-a-teens-number-using-a-known-fact-69gkat>

Day 4

To subtract a 1-digit number from a teens number using a known fact

In this lesson you will learn how we can subtract from a teens number using known number bonds.

<https://classroom.thenational.academy/lessons/to-subtract-a-1-digit-number-from-a-teens-number-using-a-known-fact-c4u3gc>

Day 5

To use the 'Make ten' strategy to add two 1-digit numbers (Part 1)

In this lesson you will identify expressions that are less than, equal to and greater than 10 and then apply the 'Make ten' strategy to add numbers.

Support

Recognising number bonds to seven and eight

<https://classroom.thenational.academy/lessons/recognising-number-bonds-to-seven-and-eight-60r6cc>

Recognising number bonds to nine and ten

<https://classroom.thenational.academy/lessons/recognising-number-bonds-to-nine-and-ten-c8v3ec>

Finding double of a number up to five

<https://classroom.thenational.academy/lessons/finding-double-of-a-number-up-to-five-70vkad>

Finding half of a number within 10

<https://classroom.thenational.academy/lessons/finding-half-of-a-number-within-10-6gtkjc>

Finding one more and one less of a number within 10

<https://classroom.thenational.academy/lessons/finding-one-more-and-one-less-of-a-number-within-10-cnh62r>

Challenge

Mrs Webster's son had some homework.

He needed to find 9 different ways to partition 9. He only found 5.

Can you help him?

If I know that $2+8=10$

What else do I know?

WEEKLY ASSIGNMENT:

WEEKLY ASSIGNMENT: Please upload a small selection of photos (Max 5) to show your learning from this week. As work is marked for accuracy as part of each online lesson, feedback from school will be based on the strategies used.

Work needs to be submitted up until 4pm on Sunday 17th January 2021

Work will be responded to by a teacher throughout the course of the next week.
