

Exploring and discussing vocabulary and phrases with the adults in your house!

Find out what the following words and phrases mean:

- **forbidden**
 - **blotted**
 - **solicitor**
- Ask an adult in your house if they can say what these words specifically mean and see how close they are to their actual meanings!!!

Use a dictionary or Google to look up the words and phrases individually.

Now, check how accurate your adult is!!!

Get your adult to put these words and phrase into example sentences and clauses to show you what context you could use them within.

Now, you come up with some sentences where **each phrase or word is used**. Tell your adult!
