

Thursday

<p>Maths</p> <p>https://classroom.thenational.academy/schedule-by-year/reception</p> <p>We will draw on our knowledge from yesterday, combining two groups, to learn about some more addition problems, including ones that use the number 0.</p>	<p>Phonics</p> <p>*See separate phonics plan</p>	<p>PSHE</p> <p>https://classroom.thenational.academy/lessons/squeaky-clean-68r3ct</p> <p>In today's lesson you will understand the need to wear clean clothes to stay clean. By the end of this lesson, you will be able to explain why it's important to wear clean clothes and will create a visual of dirty and clean clothes.</p>
<p>Finding this tricky? Add one more to a chosen number. Use your number cards to 5, and when you're confident to 10, get the amount of objects and just add one more.</p> <p>Need a challenge? Can you make up your own number sentences, using numbers to 10 and record them? For an even bigger challenge you could try adding a double digit number to a single digit number e.g. $11 + 2 =$</p>	<p>N/A</p>	<p>N/A</p>

When your child is writing, either for phonics, English activities or for their own writing during play, please ensure that they are doing it independently. This means that the children are using the sounds they hear and write them down. For example, some children may only hear the first sound, if that is the case that is all they should write. Or a child may hear some of the sounds in the word but not all, this is perfectly acceptable and they should only write what they hear.

Please upload any learning that you'd like to share with us to Tapestry. When you upload your child's learning to Tapestry it continues their learning journey, helping us and you see the progress that your child is making. Tapestry is a positive way of teachers responding to the activities that your child is doing and provide feedback if necessary. We would really appreciate it if **all** parents/guardians uploaded **at least one piece of phonics, English and maths learning** to Tapestry a week.

Thank you for your continued to support and we look forward to seeing your Tapestry posts. Stay safe!
