Reception Art Activity

Hi Year R!

For art this week I would like you to make some St David's day art! St David's day is a Welsh celebration. Traditionally the Welsh would celebrate by making and eating fruit cakes and making daffodils. Therefore your art activity this week is to make a daffodil.

Remember to please send me a photo of your finished 'Work of Art'. My email address is: n.pearson@stpeterswaterlooville.hants.sch.uk and you will get a personal reply from me. Alternatively upload your creations to Tapestry and then it will be put onto the school art blog to be seen by all.

Here are some ideas to inspire you!

From Mrs Pearson
