

Thursday

<p>Maths</p> <p>https://classroom.thenational.academy/lessons/using-ordinal-language-when-sequencing-events-and-measure-short-periods-of-time-6nh6at?activity=video&step=1</p> <p>You will use nursery rhymes to explore time language first, next, then. You will then explore the concept of time, thinking about things that you are able to do in a short amount of time, like standing up or things that take longer, such as putting on your shoes. Finally you will take part in a 10 test. This is where you will choose something to do for 10 seconds, how many times can you do it?</p>	<p>Phonics</p> <p>*See separate phonics plan</p> 	<p>Foundation</p> <p>Art</p> <p>For this week's art activity Mrs Pearson has asked you to make your very own gingerbread man. Click on the pdf attachment called 'Art Activity' which is on tapestry for more information.</p> 
<p>Need a challenge? Can you try doing two different activities for the allotted time and see which one you can do more of? For example, in 10 seconds can you do more hops than star jumps? Or can you do more writing of your tricky words than writing your name?</p>	<p>N/A</p>	

When your child is writing, either for phonics, English activities or for their own writing during play, please ensure that they are doing it independently. This means that the children are using the sounds they hear and write them down. For example, some children may only hear the first sound, if that is the case that is all they should write. Or a child may hear some of the sounds in the word but not all, this is perfectly acceptable and they should only write what they hear.

Please upload any learning that you'd like to share with us to Tapestry. When you upload your child's learning to Tapestry it continues their learning journey, helping us and you see the progress that your child is making. Tapestry is a positive way of teachers responding to the activities that your child is doing and provide feedback if necessary. We would really appreciate it if **all** parents/guardians uploaded **at least one piece of phonics, English and maths learning** to Tapestry a week.

Thank you for your continued support and we look forward to seeing your Tapestry posts. Stay safe!
